5. Choose the one that is NOT correct.

① Both a wolf and a dog eat meat.

② Each question were very difficult.

③ Every child has a problem.

④ All children are happy.

[6~7] Read and choose the best answer.

I watch Amala and Kamala every day. Both girls act like wolves. They walk on their hands and feet. They do not like to wear clothes. They sometimes bite people. I give some cooked food to them, but they don't eat it. They enjoy eating raw meat. They do not speak, but they cry like wolves. People are trying to teach language to them now.

6. What can the girls do? Choose TWO.

①

②

③

④

7. Read and circle the correct one.

- (1) The girls didn't act like (animals, humans).  
(2) The girls liked (cooked meat, uncooked meat).

[8~10] Read and answer each question.

In 1920, a man found two girls in a cave of wolves. He made names for them: "Amala" and "Kamala" Each girl looked 2 or 8 years old. The man said wolves raised them. Everyone was surprised. The two girls acted like wolves, and they could not speak. The man tried to teach them about the human world. Sadly, they could not learn like humans. Amala died one year later and Kamala also died 9 years later. Everyone should be with other people from an early age.

8. Choose the correct word for the blank.

Human babies should be around \_\_\_\_\_ to be like humans.

- ① animals                      ② babies                      ③ people                      ④ languages

9. Why did Amala and Kamala act like wolves?

- ① Because they liked wolves.  
② Because they were not smart.  
③ Because their parents acted like wolves, too.  
④ Because they lived with wolves.

10. Read and check T(true) of F(false).

- (1) Finally, two girls could act like human.  
(2) Amala died in 1921, and Kamala died in 1929.
