[6~10] Read and answer each question.

Do you like excitement? Are you brave and strong? Then check out extreme sports!

1. Skydiving: You can feel the thrill of falling from skydiving. Skydivers fall many kilometers through the air. They feel that thrill when they jump into the air. You need a parachute and other gear - and a plane to jump from!

2. Rock climbing: Climb a high wall of rock with just your hands and feet. For rock climbing, you'll need helmet, safety gear, ropes, and teamwork. You also need skill and lots of practice.

3. Snowboarding: Snowboarding is like surfing on snow. Watch out for snow falls. You must wear helmet!

6. What is the reading about?

- ① How dangerous extreme sports are.
- ② What kinds of extreme sports there are.
- ③ Why extreme sports are popular.
- ④ Why people like extreme sports.

7. What do you need when you snowboard?

- ① parachute
- ② helmet
- ③ safety gear
- ④ ropes

8. Choose the one that is NOT correct.

- ① You must be brave, strong, and healthy to enjoy extreme sports.
- ② You should get on an airplane to do skydiving.
- ③ When you do rock climbing, you can feel the thrill of falling.
- ④ When the weather is bad, snowboarding can be dangerous.
