[8~10] Read and answer each question.

I love traveling. Every country has a different culture. Their clothes, houses, and foods are all different. The land is different, too. So, I can learn many things in foreign countries. I went to Tibet. People in Tibet show their tongues to each other. They greet that way. In Korea, I had interesting food. It was Sannakji. It is a fresh raw octopus. Traveling is never boring. We can learn many things.

8. What is the main idea of the passage?

- ① Traveling is good for your health.
- ② People in other countries are strange.
- ③ We should learn foreign language.
- ④ **We can learn many things from traveling.**

9. How do people in Tibet greet?

- ① say "hello"
- ② **show tongues**
- ③ wave hands
- ④ hug each other

10. Choose the food the writer ate in Korea.

①  ②  ③  ④
