[6~7] Read and answer each question.

Mongolians live in central Asia. They don't stay in one place. They should find a new place for grass. Grass is food for sheep. To Mongolians, sheep are very important animals. They can get milk and meat from sheep. Mongolians can move more than 20 km every year. They move riding horses. They can ride horses very well. Horses are very important for them. So, they should take good care of them.

6. Why should Mongolians find a new place for grass?

- ① Because they eat grass.  
② Because they should feed sheep.  
③ Because they can move more than 20km every year.  
④ Because they want to live on the grass.

7. Choose the right one.

- ① Mongolian live in the southern part of Asia.
- ② They live in one place.
- ③ Horses are very important to Mongolian because they need milk and meat
- ④ Mongolian use horses when they move.

[8~10] Read and answer each question.

I'm Kai. I'm one of the Moken people. We live on the Andaman Sea. The sea is our home. We eat, sleep and do everything on the boat. So we have the nick name, "Sea Gypsies." My father and I fish and collect seashells every day. They are great food for us. Sometimes, we sell them and buy some rice. During the Rainy season, we should stay on the islands. We build a small house with bamboo and grass. We catch some fish near the island.

8. What is the reading about?

- ① The life of Moken People
- ② The History of Moken People
- ③ Moken's Home, Andaman Sea
- ④ Amazing abilities of Moken People

9. Read and check T(true) or F(false).

- ① Moken people eat and sell seashells. T  F
- ② Moken's nickname is *Sea Gypsies* because they live on the island. T  F

10. Where do Moken people live during the rainy season?

- ① on the boat                      ② under the bamboo                      ③ in the city                      ④ on the island
