[8~10] Read and answer each question.

Some students don't like to study. But some students just don't know good study habits. With good study habits, you can study better. You should listen to the teacher in the class. You cannot remember everything in the class. So, you should write down important things. And make study plans for your homework and tests. After study, you should check yourself. Sometimes you still don't understand something. Then ask for help from your friends or teachers. And get enough sleep.

8. Choose the best title for the reading.

- ① How to be Best
- ② **Good study Habits**
- ③ Smart Students
- ④ Study Guide for Exam

9. You don't know well about something you learned in the class. What will you do?

- ① Listen to the teacher in the class.
- ② Make a study plan.
- ③ **Ask my teacher.**
- ④ Get enough sleep.

10. Choose the right one.

- ① You should do homework in the class.
- ② You can remember everything what you learn in the class.
- ③ **After study, you should ask yourself "Do I understand today's lesson?"**
- ④ You need more time for study. So, you should not sleep.
