Who wears the biggest pants in the world? A few years ago, it was Manuel Uribe from Mexico. He was once the fattest man in the world. In 2006, he was 560 kilograms.

Manuel did not leave his bed for six years. He was too fat. He couldn't walk. Manuel stayed in bed, and his mother cooked food for him. He ate lots of pizza and tacos. They were his favorite foods.

One day, Manuel met a woman, Claudia Solis. She became his girlfriend. They spent lots of time together. Finally, they fell in love. Manuel said, "I want to lose weight. I want to marry Claudia." He exercised and didn't eat much food. In two years, he lost over 225 kilograms. Later, a big truck carried him out of his room. Manuel married Claudia that day. Manuel is still very fat, but they say, "We are the happiest couple in the world."

20. Choose the incorrect one.
