Washington, DC, America

Which country do you live in? What is its **main** city?

Every **country** has a capital city. In Korea, it is Seoul. In France, it's Paris.

A **capital** city is not always the biggest city in a country. In America, New York City is the biggest city. But the capital city is Washington, DC. It is the most important city in America.

Imagine a country with a great capital city. **Visitors** will have good **memories** of the city. Then they will like the country. So every country wants to have a great capital city.

Rome is the capital of Italy. People go there every year to see popular places. Rome has many buildings from long ago.

In Paris, every visitor sees famous museums. Each visitor sees beautiful **palaces** in Seoul. In Washington, DC, every visitor sees the White House.

Every capital city has special places.
