

ELF Book 9 Unit Test (Unit 5)

Date:

Class:

Student Name:

1. Choose the correct word for the blank.

He is lying on the _____.

① sand

② bed

③ **grass**

2. Choose the word which means the same as the underlined part.

My parents build houses for poor people.

① become

② climb

③ **make**

④ get

3. Look at the picture, and write the missing letters from the box.

a b c d e f h i

⇒ d i g

4. Choose the correct word for the blank.

There is _____ water in the cup.

① much

② some

③ any

④ **no**

5. Circle the correct one.

(1) Guide dogs are (no, **not**) like other dogs.

(2) Without wells, people have (**no**, not) water.

[6~7] Read and choose the best answer.

Some rainwater stays on grass and leaves. In dry places, there is no other water. Animals drink the rainwater from the grass and leaves.

Some rainwater falls into lakes and ponds. The rainwater makes the lakes and ponds. Deserts have no lakes and ponds because there is no rain.

6. Where do animals get water in dry places?

- ① **from the grass and leaves** ② from the lakes ③ from the ponds ④ from the ground

7. Read and check T(true) or F(false).

(1) There isn't any rain in dry places.

T ☐

F ☐

(2) The rainwater makes the lakes and ponds in desert.

T ☐

F ☐

[8~10] Read and answer each question.

Rain falls from the sky. Rainwater falls to the ground. Plants drink some of the water with their roots. More water goes deep into the ground. It stays there for a long time. People dig into the ground to get that water. They build wells and bring the water up from the wells.

Every day, some rainwater goes back into the sky. Because of the hot sun, water changes into gas. The gas climbs into the air. Some of it becomes a cloud. Some of it stays in the air. Then it falls down again at night.

8. What do people make to get water?

① ground

② root

③ **well**

④ gas

9. Choose the correct word for the blank.

When rainwater meets the hot sun, it changes into _____.

① cloud

② rain

③ **gas**

④ snow

10. Match the rainwater's words with the correct place.

(1) "Glad to meet you, Mr. Root."

In the sky

(2) "Oh, I became a cloud again."

Into the ground
