My name is Jill Carlson. I am a namist. My team studies a company for a few weeks. Then we have a meeting. At the meeting, we share ideas. Finally, we make 20 new names. The company chooses its favorite one.

- |                                       |            |
|---------------------------------------|------------|
| a. Make many names for the company.   | <u>(3)</u> |
| b. Study the company for a few weeks. | <u>(2)</u> |
| c. Learn about the company's items.   | <u>(1)</u> |
| d. The company choose the name.       | <u>(4)</u> |

[8~10] Read and answer each question.

Namists help companies and stores. First they talk about the company's items. Then they make a new name for the company. People easily remember interesting names. So they have to choose the new name carefully. The job can be difficult sometimes. Every company is different. They cannot use the same ideas for every company.

Do you want to become a namist? You should study many different subjects. You understand science, history, business, and many other things. You have to travel to different countries, too. This helps your mind grow.

8. What do namists do?

- ① They make a company.
- ② They study science.
- ③ They make new name for companies.
- ④ They choose the best item for companies.

9. Namists have to make interesting names. Why?

- ① Because every companies are different.
- ② Because they can get a prize from companies.
- ③ Because people easily remember interesting names.
- ④ Because they can use interesting names again.

10. One namist is NOT telling the truth. Choose the false one.

- ① I can help many companies and stores.
- ② I can use the same ideas for companies.
- ③ I should study important subjects.
- ④ I have to travel many countries to grow my mind.
