Step-Up Practice 2

p. 103

Model Answer 1

I would look around to see if the bookstore had a computer. If they did, I would search for the book on it. If they didn't, I would try looking on the bookshelves again.

Model Answer 2

The first thing I would do is look for the book one more time on the bookshelves. If I still couldn't find it, I would just go home. I would order the book online instead.

Model Answer 3

If I can't find the book, I'll ask my friends if they have the book and borrow it from them instead. If none of my friends have it, I'll borrow it from the library.
