These days, New Zealand is a very popular place for travelers.

New Zealand is about 1,000 miles east of Australia. The country has two islands, the North Island and the South Island. Both islands are beautiful and have many fun activities.

The North Island has great beaches and many water sports. The biggest city on the North Island is Auckland. People call it the city of sails because there are so many sailboats.

The South Island has very tall mountains. In the summer, many people go hiking. In the winter, skiing and snowboarding are excellent. The South Island is a beautiful island. People make many movies on the South Island because mountains are so beautiful.

Traveling is fun because you see new places and people. There are many ways to travel. Young people travel differently from old people. Young people usually don't have much money, so they have to find cheap ways to travel. Young people take buses, trains, or cars.

Traveling by train is popular because it is more comfortable and faster than riding a bus. You can do a lot of sightseeing from the train, and you can visit new places since trains make many stops. If you travel alone, you won't get bored because there are people to talk to on the train. It is a **relaxing** way to travel.

If people don't have enough money to travel, then they can hitchhike. Hitchhiking is free. (a) You stand next to the road, lift your arm, and stick out your thumb. (b) People might give you a ride to your final stop, but many times you just have to keep hitchhiking until you reach your destination. (c) You get rides from strangers. You do not know if they are good people or not. (d) Because of this, hitchhiking is illegal in many places.
